

COLLEGE OF PARAMEDICS' ANNUAL NATIONAL RESEARCH CONFERENCE 2024 PROGRAMME

Tuesday 21 May 2024

0900	<p>Welcome and Introduction PARIS SUITE <i>Professor Julia Williams, Head of Research, College of Paramedics</i> <i>Jon Price President of the College of Paramedics</i></p>		
0915	<p>Professor Malcolm Woollard Lecture: PARIS SUITE Driving Forward Paramedic Research: Are we there yet? <i>Dr Kim Kirby, Senior Research Fellow, University of West of England;</i> <i>South Western Ambulance Service</i> <i>Chair: Professor Julia Williams</i></p>		
9.45	<p>Moderated Posters Group A LAKESIDE SUITE <i>Chair: Professor Rachael Fothergill</i></p>	<p>Moderated Posters Group B LAKESIDE SUITE <i>Chair: Professor Graham McClelland</i></p>	<p>Moderated Posters Group C PARIS SUITE <i>Chair: Assoc Professor Paul Simpson</i></p>
10.15	<p>Refreshments/Posters/Networking ROTUNDA SUITE</p>		
	<p><i>Chair: Dr Jack Barrett</i> PARIS SUITE</p>	<p><i>Chair: Professor Graham McClelland</i> LAKESIDE SUITE</p>	
10.45	<p>Specialist paramedic deployment improves delivery of post-resuscitation care following out-of-hospital cardiac arrest - a retrospective cohort study <i>Alan Cowley</i> <i>South East Coast Ambulance Service</i></p>	<p>Paramedic perceptions of barriers and facilitators to the use of ambulance service appropriate care referral pathways in Northern Ireland: a qualitative study. <i>Julia Wolfe,</i> <i>Northern Ireland Ambulance Service</i></p>	
	<p>A qualitative exploration of emergency clinicians' experiences of caring for patients experiencing back pain <i>Dr Matt Capsey</i> <i>University of Cumbria</i></p>	<p>Mental wellbeing of first year undergraduate student paramedics before and after experience of their first ambulance placement: A mixed methods pilot study <i>Owen Finney</i> <i>University of Sunderland</i></p>	
	<p>Study of aerosols produced by airway procedures in cardiac arrest <i>Ruth Fisher</i> <i>University of Hertfordshire</i></p>	<p>The effect of feedback on the transition experiences of Newly Qualified Paramedics. <i>Peter Phillips</i> <i>Bournemouth University</i></p>	
	<p>Examining the occupational stress experienced by ambulance staff: a mixed-methods stress audit <i>Zoe Anchors</i> <i>University of the West of England</i></p>	<p>Are paramedics trained to manage maternal cardiac arrest? What can we learn from the experiences of paramedics managing antenatal maternal cardiac arrest in the out-of-hospital environment to guide training? <i>Charlotte Dennis</i> <i>University of Hertfordshire</i></p>	
	<p>Wales Health Drone Research & Innovation Partnership <i>Professor Nigel Rees</i> <i>Welsh Ambulance Service</i></p>	<p>Using realist approaches to explain and understand the optimal use of paramedics in primary care. <i>Dr Georgette Eaton</i> <i>London Ambulance Service</i> <i>University of Oxford</i></p>	
12.15	<p>Making the most of opportunities to get involved in research <i>Professor Ruth Endacott, Director NIHR</i> <i>Chair: Professor Julia Williams</i> PARIS SUITE</p>		
12.45	<p>Lunch/Posters/Networking ROTUNDA SUITE</p>		
13.30	<p>Taster Activity 1: Getting published <i>Professor Graham McClelland</i> <i>Assoc. Professor Paul Simpson</i></p>	<p>Taster Activity 2: Paramedic Research careers <i>Dr Caitlin Wilson</i> <i>Dr Greg Whitley</i> PARIS SUITE</p>	<p>Taster Activity 3: Effective patient and public involvement and engagement <i>Professor Julia Williams</i> <i>Dr Georgette Eaton</i></p>

			LAKESIDE SUITE
	<p align="center">Dragons <i>Professor Julia Williams</i> <i>Professor Nigel Rees</i> <i>Dr Kim Kirby</i> PARIS SUITE</p>		<p align="center">Dragons <i>Professor Graham McClelland</i> <i>Dr Georgette Eaton</i> <i>Dr Greg Whitley</i> LAKESIDE SUITE</p>
14.05	<p align="center">Dragon's Den A Can pre-hospital clinicians reliably rule out raised ICP using ONSD measurements with POCUS in adult head trauma patients without clinically significant signs and symptoms? <i>Ben Mudd</i> <i>East of England Ambulance Service</i></p>		<p align="center">Dragon's Den B Perceptions of Clinical Competence Amongst UK Paramedics: A Survey-Based Exploration <i>Kate Snowdon</i> <i>University of Sunderland</i></p>
	<p align="center">Does a student paramedic's uniform impact their feeling of belonging? <i>Adonia McKellow</i> <i>University of Sunderland</i></p>		<p align="center">Misfortune Avenue: Bridging the gap between theory and practice in paramedic education using Thinglink as a virtual learning platform <i>James Wilkinson</i> <i>University of Hertfordshire</i></p>
14 35	Refreshments/Posters/Networking – ROTUNDA SUITE		
	<p align="center"><i>Chair: Dr Caitlin Wilson</i> PARIS SUITE</p>		<p align="center"><i>Chair: Professor Nigel Rees</i> LAKESIDE SUITE</p>
14.55	<p align="center">Paramedic independent prescribing in emergency and urgent care: understanding the benefits, limitations, facilitators and barriers through subject expert interviews. <i>Adam Bedson</i> <i>South Western Ambulance Service</i></p>		<p align="center">Deciphering the ambulance clinician's dilemma: assessing head injuries in older adults across the UK <i>Dr Jack Barrett,</i> <i>South East Coast Ambulance Service</i></p>
	<p align="center">A review of palliative and end-of-life care education in Scottish paramedic undergraduate courses <i>Ross MacInnes</i> <i>University of Aberdeen</i></p>		<p align="center">An exploration of the experiences of disabled paramedics and student paramedics in their clinical and educational settings. <i>Nova Bridge</i> <i>University of Hertfordshire</i></p>
	<p align="center">Paramedic performed anaesthesia: a question to be put to sleep? Advanced paramedics' first pass success during pre-hospital emergency anaesthesia <i>Tom Inkson – McNally</i> <i>University of West London</i></p>		<p align="center">Emergency Medical Services streaming enabled evaluation in trauma: The SEE-IT Trial <i>Dr Lucie Ollis</i> <i>University of Surrey</i></p>
	<p align="center">An updated evaluation of hangings attended by ambulance clinicians in the North East of England <i>Professor Graham McClelland</i> <i>Northumbria University,</i> <i>North East Ambulance Service</i></p>		<p align="center">Staff and patient insights to improve fatigue management in NHS Ambulance Services: CATNAPS study <i>Professor Kristy Sanderson</i> <i>University of East Anglia</i></p>
16.05	<p align="center">From ambulance driver to change driver: the role of research in the evolution of paramedicine <i>Dr Alan Batt</i> <i>Paramedicine Programme Lead, Queen's University, Kingston, ON, Canada</i> <i>Chair: Professor Julia Williams</i> PARIS SUITE</p>		
16.30	<p align="center">Closing Comments – PARIS SUITE <i>Tracy Nicholls Chief Executive of the College of Paramedics OBE</i></p>		
16.45 – 18.00	<p align="center">Departure drinks and networking to catch up on the events of the day. Informal chats so please feel free to stay and get to know each other.</p>
